

**PRESTIGE INSTITUTE OF ENGINEERING MANAGEMENT AND RESEARCH
became the host for
“ENERGY SWARAJ YATRA” OF ENERGY SWARAJ FOUNDATION**

On 1st December, 2020 Prestige Engineering (PIEMR) got the opportunity to become host for “Energy Swaraj Yatra” of Energy Swaraj foundation headed by Professor **Chetan Singh Solanki** of **IIT Bombay** with a motto of “**Energy by Locals for Locals**”. Keeping in mind the urgency to mitigate the adverse effects of climate change which is not a choice anymore, it is a necessity, the whole team is fully dedicated to spread the idea of Energy Swaraj across the world.

During the interaction of Professor Chetan Singh Solanki with Faculty and Press Director Dr. Manojkumar Deshpande initiated the pledge along with all the faculties of **PIEMR to convert library into off grid through 5 KW solar photovoltaic power in the immediate future** followed by **signing of MOU** between PIEMR and Energy Swaraj Foundation for establishing **Solar Incubation Centre** and providing opportunity to young entrepreneurs.

Electrical Engineering Department arranged the virtual lecture for students and faculties on solar energy awareness. Dr. Dipali Sarvate, HOD and faculties took oath of AMG program (A- avoid, M- minimize and G- generate).

Event Coordinator: Prof. Dipesh Suryawanshi
